ECERS-3 Guided Observation Training

Week of October 19, 2026

Training Selection:

☐

2-Day Guided Observation Training*; October 20-21, 2026, \$1,900

For participants who want hands-on experience using the ECERS-3 in real classrooms.

☐

4-day Reliability Training*; October 20-23, 2026, \$3,800

For participants who want to pursue ERSI reliability certification.

****Prerequisite: All participants must complete introductory training on the scale before attending the in-person observation training.***

Introductory training must be completed prior to the first day of the in-person training. It may be completed through an ERSI introductory webinar on Friday, October 16, 2026, or the ERSI online 101 course.

Have you completed introductory training on the ECERS-3?

☐

Yes — I have completed introductory training.

☐

No — I need to complete introductory training before attending. ERSI will follow up to provide training options.
